

# Add your memories to the *Shirley Harris Lee Garden* at Tuskawilla Presbyterian Church & School

Whether you want to pay tribute to a loved one, commemorate a special event, or honor a family member, an engraved brick is a gift that will preserve your memories for generations.

The Shirley Harris Lee Garden features an inviting walkway and a charming gazebo where special bricks, engraved with your message, will be placed. Proceeds from your brick donation will fund the maintenance of the garden. Each clay brick is 4" x 8," with up to 3 lines of text. Bricks will be engraved with a process that makes your message permanent.

Please complete the order form below. Your inscription must fit into the white boxes, one character per box. Use upper case (capital) letters. A character is defined as letter, number, space, or punctuation mark. Please do not use special characters.
